DONATE LIFE

RACHEL RODRIGUEZ

DONATE LIFE CALIFORNIA is the state-authorized nonprofit organization responsible for managing the organ, eye and tissue registry. Its mission is to save lives by inspiring people to sign up with the state organ, eye and tissue donor registry. Its vision is that one day all Californians will embrace organ, eye and tissue donation as their personal responsibility.

Since 2004, the Donate Life Rose Parade Float has served as a memorial to organ and tissue donors and a platform for donor families, living donors and transplant recipients to inspire the world to save and heal those in need through the gift of life.

The Donate Life Dedication Garden offers donor families, transplant recipients and candidates, hospitals, transplant centers and organizations nationwide the opportunity to dedicate roses placed on the Donate Life float in the Rose Parade, which is watched by tens of millions of people in the U.S. and worldwide on New Year's Day.

Each dedicated rose is placed in a vial that carries a unique, personal message of love, hope and remembrance, and honors donors, recipients and others touched by organ, eye and tissue donation. Altogether, thousands of roses create a Dedication Garden that is a featured design element on the Donate Life float each year.
